Dear partner,

First at all, we would like to thank you for the trust placed in us to offer you the services of Gambit for your company.

We respond to your interest with enthusiasm and with the conviction that our approach will bring additional advantages for the management of your business.

Our goal is to add value to your daily operations, seeking a long-term vision. In case of compliance with the proposal included in this presentation, we will proceed to the signing of the contract for the provision of services according to current legislation.

We reiterate our appreciation for the interest shown in our company and we look forward to working with you.

Best regards

Pedro Fernández
